## ***Hello and welcome to Cambridge Philharmonic's annual family concert!***

*Have you ever wondered what a conductor does? Does an orchestra really need one? What difference does a conductor make to the sound? Have conductors always used a baton? What happens if the conductor makes a mistake?*

*In today's concert we'll be finding out the answers to all of these questions and many more. We'll discover some of the secrets of how an orchestra works, we'll hear music by some of the greatest composers of the past four centuries and the whole audience will get to learn how to conduct!*
