CAMBRIDGE  
PHILHARMONIC

## *Hello and welcome to Cambridge Philharmonic's annual family concert!*

*Today we're delighted to be joined by my brother, Tom Redmond, who presents concerts for children (and grown-ups) with orchestras all over the world and for BBC Radio 3.*

*Can you see a box on stage? What do you think might be in it? We're going to be finding out*

*very soon, but why don't you start guessing right now? Music is very good at conjuring up images – and all of the pieces we'll be playing today are inspired by things we're going to find in the box.*

*When you get home maybe you could try matching pieces of music with things you can see around you – but in the meantime, we hope you enjoy the show!*

*Tim Redmond  
Principal Conductor
